Principal's Comment

Principal's Message

It has been an honour and a privilege to have served as the principal of Mount Benson school for the past three years. We have an exceptional school here which has touched everyone who has come to work and learn and play here. We are more than just a learning community but this school is like an extension of our families. Our working relationships are warm and supporting and in many cases these relationships have become friendships that we will treasure.

Thanks to a very dedicated and professional staff that has worked tirelessly to meet your children's learning needs, emotional needs and also their enrichment needs through extracurricular activities. These professionals have become a team with the sole purpose of ensuring the best for all of our children. To this end I believe they have enjoyed wonderful success.

In addition the success of our school lies in no small part to the amazing parental support and feeling of community that everyone brings to our school. It cannot be stressed how much we appreciate the countless hours and ways in which you have contributed to the success of your children. We have enjoyed an excellent partnership with our parents and the solid support you provide your children is a cornerstone for their achievements in school and in life. On behalf of the staff and students I thank all of our parents and caregivers for your amazing support of our school. Your efforts in PAC fundraising, community spirit, hot lunches, library help, supporting our teams, helping with fine arts, assisting in the classrooms and accompanying and driving for field trips are all very much valued and appreciated. We could not do what we have done at this little school without your unstinting support. Thank you all for your contributions.

On behalf of all the staff I wish you a safe and enjoyable summer and all the very best at your new schools in September.

Schools will reopen on Tuesday, September 2, 2008.
