

ATTENTION

WELLINGTON - DIVER LAKE

OUR NEIGHBOURHOOD SUPPORTS A SCHOOL!

- ✓ **More** Children Per Capita than any other Neighbourhood

(2006 Census)

- ✓ **30% more** elementary children in our neighbourhood by 2012

(SD68 Facility Report-January 2008)

We have the children, we deserve the school

Some Trustees Want to Close Mount Benson so they can build new schools in new neighbourhoods!

- ✓ “The Ministry **does not** support the concept of closing schools simply to get a new school.”

(Ministry of Education – BCCPAC Mailing List)

Show your support for Mount Benson School and the Wellington-Diver Lake neighbourhood. **Attend** the public “consultation” meeting about the future of our School. **Everyone** counts.
